

## Information for Community Relays

The 2020 Hancock Prospecting Australian Swimming Championships is an important pathway event for Australian swimming. The event will provide the opportunity for clubs around Australia to battle it out for bragging rights in the pool, with Australian Champion titles awarded in all events.

This is your member-exclusive opportunity get up close to the action and make your mark in the pool. Bring your team along to swim in the Community Relays event, just prior to the official start of racing each night!

**Event:**           **Mixed 4x50m Freestyle Community Relay** (2 male + 2 female, any age combination)

**Participants will be provided:**

- Two general admission tickets (one for the community relay participant, and one for a parent/guardian)

**Participants must bring/wear:**

- Club uniform (shirt and shorts if applicable)
- Bathing (please come dressed in bathers underneath your club uniform)
- Cap, goggles and towel

**Key times:**

5.15pm sharp	Meet at the <b>event entry point</b> at HBF Stadium – be race ready!
5.45pm	Swim time
6.00pm approx.	Return back to the <b>event entry point</b> for collection

Please note that this not a performance-based event, rather a fun opportunity for the Western Australian swimming community to be part of the 2020 Australian Swimming Championships in Perth, showcasing their club and state. Unfortunately, there will be no opportunity for participants to warm up or cool down.
