

This event is open to Regional Clubs only and showcases the talent from clubs around country WA. Clubs will choose the team that will represent the club at the Pennant. Once the event list has been finalised, it will be available for clubs to download here so that the teams can be picked.

Note: If the club doesn't have Team Manager, then HyTek also offer a Team Manager Lite version which is a limited version of Team Manager but still capable of enabling entries for the country pennants. A guide for using the [Team Manager Lite](#) version is also available.

When using Team manager to pick your team, **ensure you use the function Meet Division** to only bring up the events for your Grade.

If a club would prefer to use excel to submit entries, then please contact Ann Kulker (Chief Recorder) before 9th February ann@kulker.com.au to organise a template specific to the club's division for your entries

Team Manager Entry file plus PDF copy of the Individual Meet Entries Report by Event and the Entry Fee Report to be emailed to ann@kulker.com.au prior to **9pm Friday 16th February**. Please include contact name & phone number with your email
