Overview

In recognition of swimming performance and non-swimming contribution, Swimming WA acknowledges Awards on an annual basis. To facilitate Annual Awards, Swimming WA sets out the following procedure:

Swimming WA defines the following:

- The timing of the awards within the Membership year.
- The method of nomination.
- Category criteria, along with methodology as to how the criteria were derived.
- The 'defined period' for recognition of the relevant award.
- Establishment of a suitable, independent, qualified Committee to evaluate nominations and make recommendations to the Swimming WA Board on award winner(s).

Honours & Awards Committee

The Honours and Awards Committee shall work with the CEO to consider the nominations for the various Award categories. The Committee shall submit recommendations for Awards winners in each category to the Swimming WA Board, with a clearly articulated rationale for the recommendation against the previously established criteria. The Board reserves the right to accept or reject a recommendation from the Honours and Awards Committee, at its absolute discretion.

Once the Swimming WA Board has ratified the awards recommendations from the Honours and Awards Committee, the CEO shall extend invitations to all finalists in each Award category or a particular Award category.

Note: Any award that is the prerogative of the President to award, will be at the sole discretion of the Swimming WA President and shall not be subject to any criteria, other than the criteria established by the Swimming WA President.

Where awards are recognized for achievements within a defined period, the defined period will be 1st September to 31st August each year.

Resident Swimmer - a swimmer must be a financial member of Swimming WA, have resided in Western Australia for a minimum of 6 months and declare Western Australia as their 'home State'. Association Awards

Persons eligible to be nominated for Life Membership or Honorary Membership shall have complied with the guidelines outlined in the Swimming WA Life Membership or Honorary Membership criterion.

Nominations on the prescribed form shall be submitted to the CEO by the closing date in each year.

The Honours and Awards Committee shall consider the nomination and may recommend the award to the Board for consideration. If the Board does not ratify the recommendation from the Honours and Awards Committee, the reasons shall be conveyed to the proposer.

Life Membership may be conferred by a resolution of the AGM following nomination by the SWA Board. Any Member so appointed shall be issued with a Swimming WA Life Members lapel pin. Presentation of this lapel pin shall admit him/her to all Swimming WA competitions.

Hall of Fame Induction

Introduction

The Swimming WA (SWA) Hall of Fame is an alumni comprised of fifty-six (56) of the most prominent names in Western Australian swimming. The SWA Hall of Fame is an illustrious group of SWA's most respected and celebrated champions who span time and achievement.

Induction into the SWA Hall of Fame is a public acknowledgement of attainment of the extraordinary feats of an individual at an international level that has set them above their peers, and made a contribution that is 'uncommon'.

Induction into the SWA Hall of Fame differs from SWA Life Membership. Life Membership of the Association acknowledges selfless commitment and long-term service to the Association and to the sport of swimming in Western Australia. Inductees into the SWA Hall of Fame do not automatically receive Life Membership of SWA and vice versa.

The SWA Board has engaged the SWA Honours and Awards Committee to manage the process on their behalf. The Committee oversees the SWA Hall of Fame nomination process and submits their recommendations to the SWA Board for their endorsement.

Induction into the SWA Hall of Fame is on an "achievement basis" and not necessarily an annual occurrence. SWA Hall of Fame inductees are recognised at the SWA Hall of Fame Induction function.

Principle

To recognise and promote the outstanding achievements of our members at the international level of swimming.

SWA will seek to acknowledge, promote and preserve the achievements of these individuals, by extending to them an appropriate honour in recognition of their outstanding contribution to Swimming in Western Australia.

Criteria for Eligibility

Nominations for recognition may be made from any area of the sport of swimming in Western Australia and shall have no boundaries as to environment (i.e. Club, Technical Official, swimmer, member, etc.), field of endeavour, age, sex or contribution to SWA.

Hall of Legends Induction

Introduction

The Swimming WA (SWA) Hall of Legends is a new elite Alumni category designed to recognise outstanding achievement by Western Australian swimmers on the international stage. Members of the SWA Hall of Legends represent an illustrious group of SWA's most respected and celebrated champions who span time and achievement. They are the "best of the best" who, (through their achievements), have made an enduring or significant contribution to the sport of swimming, inspiring young and old alike.

Elevation from the SWA Hall of Fame into the SWA Hall of Legends is a public acknowledgement of attainment and the extraordinary feats of an individual, at an international level, that has set them above their peers and captured the attention of the swimming world.

Induction into the SWA Hall of Legends differs from induction into the SWA Hall of Fame. The SWA Hall of Fame acknowledges those who have achieved outstanding results at a National and International level. The Hall of Legends celebrates achievements that are of a level that can only be described as elite and world class (i.e. winning an Olympic medal). Inductees into the SWA Hall of Legends do not automatically receive Life Membership of SWA and vice versa.

The SWA Board has engaged the SWA Honours and Awards Committee to manage the process on their behalf. The Committee oversees the SWA Hall of Legends nomination process and submits their recommendations to the SWA Board for their endorsement.

Induction into the SWA Hall of Legends is on an "achievement basis" and not necessarily an annual occurrence. No more than 15% of the Hall of Fame may be inducted into the Hall of Legends. SWA Hall of Legend inductees are recognised at the SWA Awards of Excellence.

Principle

To recognise and promote the outstanding achievements of Western Australian athletes at the international level of swimming.

SWA will seek to acknowledge, promote and preserve the achievements of these individuals, by extending to them an appropriate honour in recognition of their outstanding contribution to Swimming in Western Australia.

Unlawful misdemeanours or offences will not bar conferring of an award unless said misdemeanour, offence or conduct of that member is, in the judgment of the Honours and Awards Committee and the SWA Board, of a nature to be harmful to the reputation and standing of SWA and its members or is conduct not of the standard expected of a member of SWA.

Ben Beale Memorial Award

Rationale for Introducing the Award

As the peak body for swimming in Western Australia, SWA included a section in the SWA Strategic Plan 2019 - 2024 to assist Clubs to improve in the area of retaining and recognising valuable members. Since 2015, considerable emphasis has been committed to refining and improving the SWA Club 'environment' to be one that is positive, nurturing and inclusive. SWA Clubs now understand that retention of members is a far better and more positive.

The ingredient of the success of this strategy over the past four (4) years vary from each local area, but one common theme has been the role of the dedicated Club Member and their ability to significantly positively add to an engaging and fun Club environment. Swimmers regularly comment that a key reason for their longevity in the sport, is the camaraderie between the swimmers and the swimmers and the coach.

SWA would like to recognise the wonderful contribution that such individuals make at the 'coal face' and to publicly acknowledge the crucial role that such individuals play in the broader strategy. The sport of swimming is thrilled that the Beale Family through Aqua Technics has embraced this concept and is prepared to invest financially in the recognition of these individuals by providing an award that will recognise and reward these people as well as offer and opportunity to further their leadership skills.

Description - The Ben Beale Memorial Award:

This perpetual award will annually celebrate the 'Best Club person' (must be a current athlete) within a Swimming WA Club. The Award is designed to further the winner's leadership skills and experience, with the objective that they will not only stay in the sport longer term but will also contribute to their Club in a meaningful manner, well beyond their days as an athlete.

The Ben Beale Memorial Award will be awarded to a Club person who:
