Swimming - an essential part of the Western Australian way of life

# HANCOCK PROSPECTING

*Hancock Prospecting is the proud Principal Partner of Swimming WA, extending a partnership that has thrived for more than 30 years. Through this vital partnership Swimming WA continues to deliver essential swimming programmes throughout the State.*

## **A message from our Patron and Principal Partner**

I am delighted to welcome you all to the 2024 Hancock Prospecting Western Australian Swimming Championships.

For over three decades, Hancock Prospecting have played a crucial role in the development of swimming in West Australia. From the contributions towards the running of swim meets and programs in the wider swimming WA community, it has been great to hear the feedback of what this has meant to the lives of the children involved.

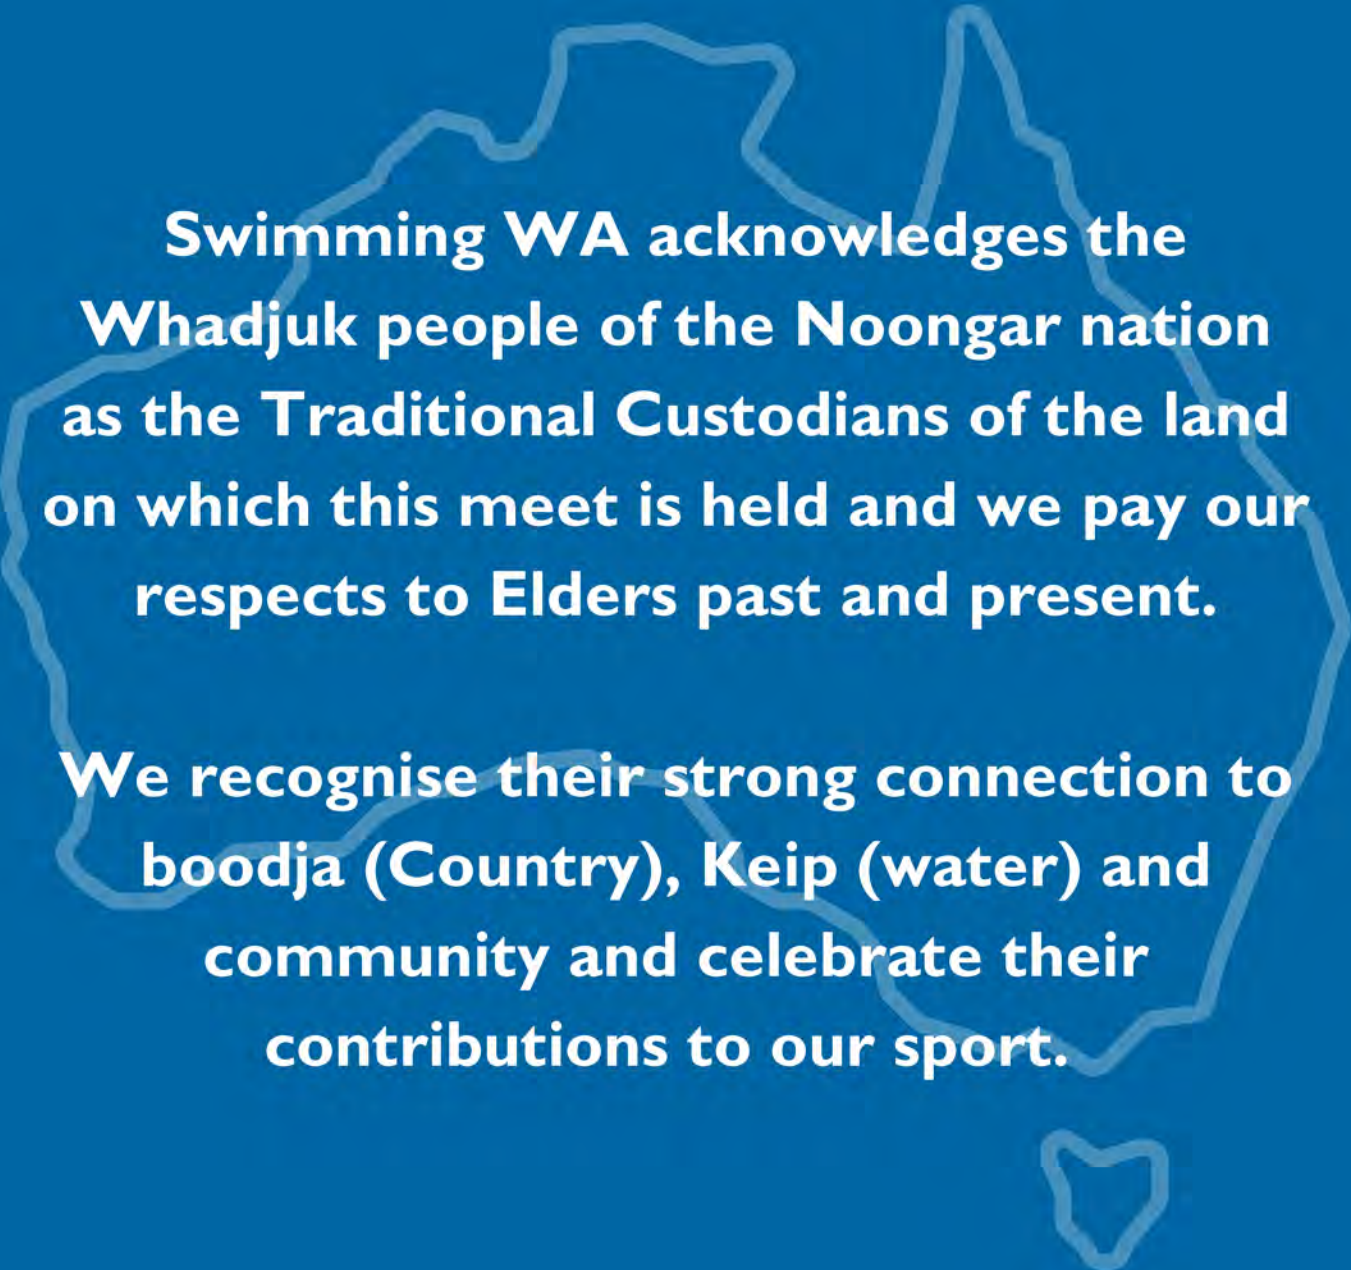

From the team at Hancock Prospecting, and your Patron, we wish you all the best in the training and preparation for your races. Enjoy yourselves responsibly in and out of the pool. Swimming builds resilience, persistence, and dedication, building valuable qualities for your whole lives.

A special thank you to the volunteers who give up their time to come and help make possible this fantastic non-contact sport.

Thank you!

## Swimming WA Swimwear Information Pack

With the changes being made at the national and state level regarding the requirements around swimsuits in competition, Swimming WA has put all the information into a single location for Clubs and Members to find all the information they need surrounding the rules and regulations of swimsuits.

There are 3 items being referenced in this document:

1. [FINA By-Laws](#)
2. [Swimming Australia Inclusive Swimwear Policy](#)
3. SWA Technical/Performance Race Suits – found at the end of this document

The FINA By-Laws are the overarching rules for all swimming and racing competition around the world. Countries are members of FINA and abide by their rules and regulations on these matters. There are some exceptions that are in place such as the 2 additional policies mentioned above.

The rule that has been recently commented on in WA events has been surrounding the logo size on swimsuits. The rule reads as follows:

One (1) manufacturer's logo of a maximum size of 30cm<sup>2</sup> when worn. Where one-piece body suits are used, two (2) logos of the manufacturer shall be permitted, one above the waist and one below the waist of a maximum size of 30cm<sup>2</sup> each when worn. These two (2) logos of the manufacturer shall not be placed immediately adjacent to each other. Where two-piece body suits are used, the two (2) logos of the manufacturer shall be placed on one piece each.

Examples shown in the pictures below:

Swimming Australia has made steps to be more inclusive in their swimsuit policy and the background of these decisions can be seen below:

1.1 Swimming Australia is committed to creating a welcoming and inclusive swimming environment for all competitive members. Within our Inclusive Swimming Framework, our goals are:

- All Australians feel welcome, safe, valued and celebrated in swimming
- All Australians can participate in the role and at the level of their choice in swimming
- Australia's diversity is reflected in swimming.

1.2 It is acknowledged that for some swimmers the standard competitive swimsuit options defined by FINA requirements for swimwear approval may not suit their individual needs and preferences.

1.3 This may be attributed to a range of factors including but not limited to a swimmer's cultural or religious observations.

I.4 Lack of appropriate competitive swimwear options are a key barrier to participation in swimming by many people in the community including, people with disability, people from culturally and linguistically diverse backgrounds, Aboriginal and Torres Strait Islander peoples, transgender and gender diverse people and women and girls.

I.5 To accommodate and support swimmers' individual needs and encourage participation and involvement in swimming competitions, Swimming Australia allows swimwear to be modified or alternative swimsuits to be worn in accordance with this Policy.

For more information, please refer to the policy linked at the top of the page.

## Swimming WA Competition Policy Technical/Performance Race Suits

In the interest of athlete development and retention, Swimming WA in consultation with Swimming Australia, the SWA High Performance and Competition and Planning Committees, made changes to the Policy pertaining to the use of technical/performance race suits at Swimming WA sanctioned competition which came into effect on May 1st 2018.

Technical/Performance suits can be very expensive and thus provide a potential barrier to entry for families looking to start out in swimming. In the view of Swimming WA and other State Swimming Associations, there are no proven performance benefits for young swimmers using technical/performance suits. After consultation with coaches across the State in previous years, feedback indicates that much of the benefit of wearing a technical/performance suit is **not relevant to young swimmers** who have yet to physically develop.

The move to limit the use of technical/performance suits for young swimmers is another initiative from Swimming WA to remove the competitive pressure on young swimmers at a crucial development phase of their swimming journey.

SWA Members are reminded that the SWA Technical/Performance Race Suits Policy is **in effect**.

The update is as follows – **Tech Suits will no longer be permitted to be worn at Junior Meets**. This will go into effect on the 1st October 2021.

### Who Will the Change

#### Apply To?

##### Age Group Swimmers:

Females Aged 13 Years and Over

Males Aged 14 Years and Over

Will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

##### Junior Swimmers:

Females Aged 12 Years and Under

Males Aged 13 Years and Under

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition. The only exception to this rule is when the swimmer is competing in a State Championship event as an Age Group Swimmer; then they will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

What is a Technical/ Performance Suit?

Technical/performance racing suits are manufactured using scientifically advanced materials. Materials of this type are normally comprised of spandex and nylon composite fabrics with features to reduce “drag” against the water. The fabrics include features which are highly compressive and increase the swimmer's glide through water and reducing absorption of water by the suit as opposed to regular swimsuits.

Traditional one-piece race suits for females as well as briefs and trunks for male swimmers are not technical/performance suits and will be permitted. Knee length suits and “jammers” will also be permitted provided they do not feature the key components of a technical/performance swim suit will also be permitted.

The key component of a technical/performance suits which should be identified when differentiating what is and isn't permitted are the following

- Bonded/ Sealed Seams
- Meshed Seams
- Kinetic Tape

The above photographs are examples of seaming which will continue to be **permitted** for swimmers at junior meets, note the stitching is raised on the outside of the fabric.

The above photographs are examples of swim suit seaming which **will no longer be permitted** for swimmers at junior meets. Note the bonded/sealed seams and use of kinetic tape.

If you have any further questions about this policy please contact Blake Lomie-Duguid at [competitions@wa.swimming.org.au](mailto:competitions@wa.swimming.org.au)

## NOTES

- Pool entry is \$2.60 for spectators and \$4.80 for competitors.
- All swimmers and spectators are reminded to collect pass-outs to prevent being charged again
- **Parents and spectators are prohibited on pool deck unless they're required to be there as a volunteer or hold a valid coaches accreditation (Lanyards must be visible at all times).**
- **Children are not permitted to play on the concourse or throughout the venue, parents are asked to supervise children who are not participating in the meet.**

## WARM UP PROCEDURES

All coaches and swimmers must be aware of general warm up procedures as follows:

- Lanes one & eight are reserved for dive sprints from the start end of the pool. Swimmers must clear the lane immediately.
- Lane two & seven are reserved for pace swimming (no diving).
- Lanes three – six are reserved throughout the whole of the warm up period as circle swimming lanes.
- During the meet athletes are invite to warm up/cool down in the dive pool.

In addition to the procedures above be aware of announcements to determine lane usage throughout the meet, as usage may vary at the discretion of the Meet Director.

## MARSHALLING

- All swimmers will marshal before each event in the designated area. Swimmers are requested to report to the marshal promptly when the event and heat number is displayed on the marshalling board with their membership card or event card;
- Any swimmer who fails to report to the marshalling area at least ten minutes prior to the scheduled time for start of the session (if entered in the first or second event) or, at least two events\* prior to the event in which the swimmer is entered, shall be deemed a withdrawal.
- Swimmers are not to leave the marshalling area once they have had their name marked off.
- Coaches are not permitted in the marshalling area

\* 200m events will be called in blocks of six at a time. Events 400m and above will marshal by heat number. In the 400m freestyle and individual medley events, heats one to five will be called initially. After heat one has commenced, heat six and seven will be called and so on in blocks of two heats. There are to be only six heats of 400m freestyle or individual medley in the marshalling area at one time.

In the 800m and 1500m freestyle events, heats one and two will be called initially. After heat one has commenced, heat three will be called and so on. There are to be only two heats of 800m or 1500m freestyle in the marshalling area at one time. Swimmers must sign an intent to swim by prior to the beginning of the session being commencing. If the swimmer is not present a coach or team manager can sign in.

## **WITHDRAWALS**

Out of consideration for fellow swimmers, spectators and officials, swimmers are requested to withdraw from events they do not intend to swim. Withdrawals should be made at the withdrawal table located in the marshalling area. The withdrawal slip provided must be completed by the swimmer or their representative. Results will be posted after the heats and swimmers have 30 minutes from when they are posted to scratch from a final, if the scratching isn't made within the designated time a \$50 fine will occur.

## **MEDICAL CIRCUMSTANCES**

There is no allowance for medical consideration. Should a swimmer incur a medical circumstance that necessitates a withdrawal, then a medical certificate shall be presented to the Meet Director to authenticate the withdrawal. The Meet Director shall have such authority to determine the relaxation of the time (i.e. happens less than 30 minutes before the programmed event start) period in which the withdrawal is initiated.

## **DISQUALIFICATIONS**

All disqualifications shall be announced.

## **VOLUNTEERS ROSTER**

As per Swimming WA's policies, based on entry numbers, clubs are allocated volunteer duties. It is the responsibility of each club to ensure they have people available to fill these duties to allow the meet to run smoothly.

All volunteers (including time keepers) who require pool deck access are to enter pool deck via the swim school office only. All other access points are not to be used for the duration of the competition.

## **ACCREDITATION**

Accreditation is mandatory for access to the pool deck and the required lanyards with your accreditation must be displayed at all times. Coaches, officials and volunteers must present their accreditation on arrival to the pool deck and then keep it visible at all times.
