### **About the Club**

Bunbury Swimming Club is located in the beautiful South West Region of Western Australia, two hours south of Perth, and within easy travelling distance of stunning countryside, magnificent beaches, wineries and forests.

Bunbury Swimming Club (BSC) has just turned sixty-years old and is the largest swimming club in the South West of WA, with a proud swimming tradition that included being named 2017 Swimming Australia Optus Club of the year and 2018 Swimming WA Regional Club of the Year for the third consecutive year. It has won many regional Western Australian swimming titles and has produced many state and national-level swimmers.

At recent championships we have had multiple state-age medalists. Three swimmers competed at the 2021 National Open Water Championships at Coolom with our swimmers achieving one silver and one bronze medal. We had one swimmer qualify for the World Junior Open Water Championships. We had five 2021 National Age Championship qualifiers and three swimmers competing in the Tokyo Olympics qualifying event in Adelaide. One BSC swimmer was recently selected for Swimming Australia's National Para Swimming Development Squad.

Not content to rest on its past laurels, BSC is determined to enter a new period of growth and renewal and write the next chapters in its proud history.

We offer coaches and swimmers a culture of personal development and improvement, helping them to become the best they can be. BSC aims to provide a professional, caring environment to foster individual goals, while impressing the importance of resilience, commitment, hard work and enjoyment.
