

## Perth College Swim Academy

Perth College Swim Academy (for Perth College Anglican School for Girls, Mt Lawley) is seeking to appoint an enthusiastic, passionate and knowledgeable Coach for its Junior and Age-Group Program.

- Applicants should have experience and confidence working with children of all ages and a good understanding of Long-Term Athlete Development (LTAD).
- The ability to enhance technical and skill development is essential with a suitable understanding of the physiological needs in developing young athletes.
- A focus on the safety, health and well-being of each athlete under their care is essential.
- Applicants should have well-developed communication and interpersonal skills with a solid understanding of working with children.
- Ability to work with stakeholders including but not limited to other Coaches, the Program Manager and Parents.
- Exceptional planning.
- Willingness to learn.
- Minimum qualifications include a current and maintained Bronze Level license.
- A current and maintained Working With Children Check (WWCC).
- Current and maintained ASCTA membership.
