What we can offer

Swimming WA is committed to building strong relationships and mutual opportunities in swimming with our Asian neighbours, and we have a formal Asian Engagement Strategy in place to make this happen.

We aim to offer exciting competition, training and knowledge-sharing opportunities for Asian athletes and coaches visiting WA, and to send our athletes and coaches to compete and train in Asia.

In 2023-24 we welcomed over 30 athletes from Asia competing in the Western Australian Long Course State Championships and Australian Open Water Championships (held in WA) combined. We are offering the same and more opportunities in 2024-25.

Here, we set out the opportunities available to swimming groups from Asia – competitive events training and camps – and offers and support that we, Swimming WA, can provide to make your visit as affordable and welcoming as possible. We include:

A schedule of available competitive events and training opportunities in both the pool and open water, from November 2024 to January 2025.

Options for affordable accommodation.

Heavily discounted event entry, including our State LC Championships and Australian Open Water Championships.

A free swim camp and 'welcome' receptions for touring groups.

Access to cheap lane hire for your training needs.

We have a proud swimming tradition and passionate swimming culture in Australia, that we want to share for mutual benefit with our Asian friends. If you choose to make Western Australia your destination for developing your aspiring swimmers and coaches, we promise to make the experience a valuable and welcoming one.

Pool Event Information

Swimming Event Entry

Swimming WA is offering a \$40 per head discount for all international athletes entering the December WA State Championships *

To secure entry and discounted rates to the WA State Championships, please contact Matt Nelson by 1st November 2024 at: pathways@wa.swimming.org.au

*Athlete discounts will be applied to bulk invoices for international groups.

Pre Meet Training

FREE Pre-Meet Training is offered to international athletes prior to the State Championships on 12th December. The training camp will be conducted at HBF Stadium, host for the WA State Championships.
