

Media Release : 19 February 2018

WA SWIMMING CLUB CHAMPIONSHIPS ON THIS WEEKEND

This weekend at HBF Stadium is the pinnacle event for all metropolitan swimming clubs, who will be competing in the SunSmart 2018 Club Premierships.

Kicking off tonight will be the A Division Meet from 6pm. Tomorrow will be B Division (9:30am - 12 noon) and C Division (3pm - 5:30pm), with D Division competing on Sunday 4 March 2018 (9:30am - 12 noon).

Each Division consists of eight clubs, and each club's ranking is determined by their performance at last year's Club Premierships. The bottom two clubs in each Division from last year move down, and the top two clubs move up - giving the clubs and their swimmers incentives to perform well.

A link to the SunSmart 2018 Club Championships live results will be posted on Swimming WA's facebook and website, as well as updates provided throughout the meet.

This weekend marks a busy weekend for Swimming WA, with the Country Pennants also taking place at the Mandurah Aquatic and Recreation Centre involving more than 700 swimmers from regional WA competing.

There is also Round 10 of the Swimming WA Open Water Swimming Series at Mandurah Town Beach on Monday 5 March 2018, expected to attract 350 swimmers. This event is also the Club Premiership Round, where clubs are competing for largest number of participants and winning times.

Swimming WA Chief Executive Officer Mr Darren Beazley said that " this weekend will see up to 2000 swimmers in the water, competing for their Clubs and individually. The team work and comradeship that will be on display is phenomenal and it really does demonstrate the popularity of swimming in WA. We call this weekend The Festival of Swimming, and we hope that swimmers and spectators alike enjoy their experience".
