

**Media Release: 6 September 2018**

## **Open Short Course State Championships on this Weekend**

Starting tomorrow night at HBF Stadium is the Swimming WA Open State Short Course Championships. This 3-day event will feature 231 swimmers competing in 65 events.

These swimmers are representing 29 Clubs from throughout Western Australia, as well as an interstate visiting team from SOPAC (Sydney Olympic Park Swim Team) will be competing in the event.

This blue ribbon event in the swimming calendar event leads on from a successful Swimming WA State Age Short Course Championships a fortnight ago, which featured 496 12 – 18 year old, swimmers from 40 Clubs. As a result of performances at that meet, a team of swimmers was chosen to represent WA compete in the 2018 State Team Championships in October in Canberra.

Live results for the Swimming WA Open State Short Course Championships will be available via Meet Manager, and this link as well as updates will be provided on the Swimming WA website and social media throughout the weekend.
