Swimming WA is pleased to announce the four (4) Coaches selected for the Swimmer's World State Short Course Team to work with Head Coach Will Scott (WAIS). The Coaches selected are as follows:

The Coaches were selected based off the criteria of being a primary Coach of an Athlete in the Performance Pathway Programme and/ or selected Team and having a keen interest in Coach development. The selection process has been made to ensure the success of the Team with these Coaches already producing swimmers that have exceeded difficulty qualifying times and catering to the various needs of the Team.

Swimming WA is extremely excited about the calibre of Coaches that will be travelling with the Team this year and are looking forward to seeing them Coach swimmers to produce their best performances at the State Team Short Course Championships.

The announcement for the swimmer's selected onto the Swimmer's World State Short Course Team will be announced on Sunday September 3 at the conclusion of the Swimming WA State Short Course Championships.
