

## Media Release: Friday 30 November 2018

### **Geraldton Amateur Swimming Club to host the 2020 SunSmart Country Pennants**

Geraldton Amateur Swimming Club has been announced as the host of the 2020 SunSmart Country Pennants. This event brings together the majority of country swimming clubs across Western Australia, and is expected to attract over 1000 swimming enthusiasts and competitors to Geraldton.

Geraldton will be witness to a fantastic display of the best of country swimming, with over thirty clubs battling across the five Divisions. The 2018 event held in Mandurah saw Bunbury Swimming Club claim first place in A Division, whilst Geraldton, Moora, Busselton, and Esperance took out the top spots in Divisions B through E respectively.

Team spirit will be running high at the event as Pennants is based on overall team performances rather than individual performances.

The March long weekend will be a showcase of swimming across the State, with the Country Pennants in Geraldton coinciding with the Metropolitan Club Premierships taking place at HBF Stadium, and an Open Water Series event being held.
